Dear Mr. Helms

I want to thank you for the fine briefing and orientation I attended on 11 March 1964 at the training school which your personnel are conducting for us. This spirit of cooperation and mutual assistance which has so often been manifested between our agencies has done much to assure the furtherance of our mutual goal - safeguarding the national security.

I would appreciate it if you would express my sincere gratitude to the personnel who participated in this briefing, and in making the arrangements for the training program.

Sincerely

JOHN S. SAMUEL
